

HUMANITIES III PURCHASE BOOKLIST 2023-2024

Do not trust amazon.com! They will return random editions instead of the correct edition in their search. If the ISBN is specified below, that edition is the only acceptable edition. The QR code goes to the Barnes & Noble listing, which is more reliable than Amazon, but it doesn't matter where you get these books.

Title	Publisher	ISBN
<p data-bbox="326 590 578 632"><i>Pilgrim's Progress</i></p> 	<p data-bbox="769 590 1079 667">OUP: Oxford World's Classics</p>	<p data-bbox="1157 590 1409 625">978-0199538133</p> 
Title	Publisher	ISBN
