*Currently we have a limited supply of ESV Bibles available free of charge in the office.

**Does not need to be a graphing calculator, but must have advanced math functions like sin, cos, tan, log, etc.; any calculator marketed as a scientific calculator in the store should work.

Each summer, LCA receives a donation of backpacks, other various school supplies, and personal items around mid-August. Please stop by the office to browse the selections. All items are free of charge to enrolled families.
